FOR: Honorable Township Trustees

SUBJECT: Adoption of Revised Purchasing Policy

RECOMMENDATION/MOTION: Recommend that the revised Purchasing Policy be adopted.

BACKGROUND: In October 2019, the City of Bloomington Township Board adopted the Township's first formal purchasing policy. The policy was written with certain guidelines in place as dictated by state statutes 60 ILCS 1/85-30 and 60 ILCS 1/205-105. In January 2022, HB 4251 was introduced that amended the statutes within the Township Code and increased the minimum amount from \$20,000 to \$30,000 on purchases that must be contracted in specified ways. On May 6, 2022, Governor JB Pritzker signed HB 4251 into law effective immediately. This necessitates an update to the Township Purchasing Policy.

TOWN OF THE CITY OF BLOOMINGTON

PURCHASING POLICY

Introductory Comments

The Town of the City of Bloomington (the "Township") is a unit of local government that includes the Office of the Supervisor/General Assistance (the "Supervisor"), the Township Assessor (the "Assessor"), and the Board of Trustees of Evergreen Memorial Cemetery (the "Cemetery"). In addition to these entities, the Township has certain statutory oversight from and power vested in the Township Board of Trustees.

In an effort to promote transparency and consistency, the Supervisor, the Assessor, and the Cemetery determined it to be in their best interests to have a uniform Purchasing Policy and present it to the Township Board of Trustees for its approval. In that same spirit of consistency and given the unique nature of the Township as coterminous with the City of Bloomington, this Policy, wherever possible, is similar to the City's Purchase Policy.

As outlined herein, the Supervisor, in consultation with the Assessor and the Cemetery, reserve the right to work together to adopt their own procedures and manuals on how to implement this Policy.

Administration

Powers and Duties Generally

- A. The Supervisor is the Chief Executive Officer of the Township. Accordingly, the Supervisor shall examine and report on all proposed contracts to which the Township may be a party and shall sign on behalf of the Township any contract authorized by the Township Board of Trustees, excepting where Illinois law or the Township Board directs that some other officer or entity shall do so. For example, this paragraph shall not apply to actions where authority is granted to the Cemetery and/or Assessor by law or when deferred by the Township Board.
- B. The Supervisor, the Assessor and the Cemetery have their own rights and obligations under Illinois law. Accordingly, where appropriate, the Supervisor, the Assessor, or the Cemetery shall make relevant purchases of construction, repair, maintenance, services, goods, supplies, materials, and equipment in the manner prescribed by, but subject to any limitations imposed by law. No purchase shall be made and no expense shall be incurred except for purposes in which prior appropriation is made. Additional information may be requested from the Cemetery and/or Assessor to support presentations to the Township Board of Trustees.
- C. The Supervisor shall sign on behalf of the Township any deed for real property, except for any deeds issued by the Cemetery for burial purposes.

Settlement of Litigation, Claims and Collections

- A. Settlements concluding any litigation, claims, and collections of any amount shall require presentation to and action by the Township Board of Trustees unless otherwise authorized by law or upon the advice of the Township attorney.
- B. For any judgment obtained by the Township or for any other amount owed to the Township, the Supervisor is authorized to enter into an agreement with one or more collection agencies for the collection of said debts. The same authority rests with the Assessor and the Cemetery for judgments obtained or other amounts owed to those entities.

Approval of Contracts, Purchases, Open Market Orders and General Spending Levels

- A. The Supervisor, the Assessor, and the Cemetery are hereby authorized to procure, at the relevant entity's discretion, on the open market, commodities, supplies and services, and construction, repair and maintenance projects, costing not more than Twenty-Thousand-Dollars (\$20,000.00) \$30,000.00 per individual purchase, contract and/or procurement. Any approval shall remain subject to any competitive bidding processes if desired or as required by law.
- B. Any determination with respect to contracts, purchases or open market orders involving the expenditure of Twenty Thousand Dollars (\$20,000.00) \$30,000.00 or more per individual purchase, contract and/or procurement shall be subject to any competitive bidding processes consistent with Illinois law.
- C. In consultation with the Assessor and the Cemetery, the Supervisor may establish reasonable additional regulations, setting forth more detailed requirements and procedures for the procurement of commodities, supplies and services, and construction, repair and maintenance projects as well as when contracts shall be used for procurement and when purchase orders shall be used.
- D. The Supervisor, the Assessor, and the Cemetery may authorize payments of expenditures approved in their relevant portion of the Township's budget and appropriation ordinance that are routine in nature and otherwise required by an existing contract or intergovernmental agreement, as well as utility payments, health insurance payments and other contributions approved within the budget and appropriation ordinance. However, any such expenditure shall be reported on the Township's Monthly Audit report and must be subject to review by the Township Board of Trustees in a manner consistent with Illinois law.
- E. Nothing herein shall limit the ability of the Supervisor, the Assessor, or the Cemetery to hire employees, enter into and sign employment contracts, and to sign contracts with employment agencies.

COBT Purchasing Policy Issued: 10/28/2019: Revised 5/23/2022

- F. The Supervisor, the Assessor, and the Cemetery shall have the authority to execute a change order to any contract under their authority if either: 1.) the amount of the change order is under \$5,000.00; or 2.) the change order does not raise the total cost of the procurement more than \$20,000.00 \$30,000.00. For all other change orders, the Township Board or the Cemetery (where appropriate) shall approve the change order or may give authority to the Supervisor, the Assessor, or the Cemetery in the motion to approve the contract authority to execute change orders.
- G. All formal contracts greater than \$20,000.00 \$30,000.00 shall be approved as to form by the attorney for the Township, the Assessor, or the Cemetery, where appropriate.

Competitive Procurement Requirements; Notice of Procurement; Waiver of Bids

- Requirements. Except as provided, all contracts, purchases or open market orders A. in the amount of \$20,000.00 \$30,000.00 and above made by the Township, the Assessor, or the Cemetery shall be awarded to the vendor whose bid, quote or offer, after due notice is given, is determined by the relevant governing authority to serve the best interests of that entity, taking into consideration the quality of the construction, repair, maintenance, services, goods, supplies, materials, and equipment supplied, their conformity with the specifications, the price, delivery terms and the service reputation of the vendor, and such other criteria as may be specified in the documents seeking the bid, quote or offer. All entities reserve in all cases the right to reject any and all bids, quotes and/or offers. This process shall be known as "competitive procurement." For the procurement of construction, repair, or maintenance, equipment, supplies, materials, goods or services estimated to be under Twenty Thousand Dollars (\$20,000.00) \$30,000.00, the Supervisor, in consultation with the Assessor and the Cemetery may establish reasonable purchasing and/or bid procedures by regulation.
- B. Notices. Unless otherwise provided by law, all notices to bidders or responders for procurement of construction, repair, or maintenance, equipment, supplies, materials, goods or services estimated to be Twenty Thousand Dollars (\$20,000.00) \$30,000.00 or more shall be published no less than ten (10) days in advance of the date announced for the receiving of bids or responses, in a daily newspaper of general circulation in the Township, and shall simultaneously be available at the Township or Cemetery Building, depending on the entity with responsibility for the notice. The newspaper notice required shall include a general description of the articles to be purchased, shall state where the competitive procurement documents may be secured and the time and place for opening bids or responses. In addition, sealed bids or responses shall be solicited by mailing notices to prospective suppliers.
- C. Additional Competitive Procurement Requirements. The competitive procurement requirements set forth in this Policy may be altered in the following circumstances by the Supervisor, the Assessor, or Cemetery, as applicable:

COBT Purchasing Policy Issued: 10/28/2019: Revised 5/23/2022

- (1) Joint Purchases. In cases where the construction, repair, or maintenance, equipment, supplies, materials, goods or services for amounts in excess of Twenty Thousand Dollars (\$20,000.00) \$30,000.00 have already been approved through a state competitive bidding process or are being purchased through a joint purchase agreement with one or more other governmental units, such purchases may be approved in a manner consistent with the Governmental Joint Purchasing Act, the Intergovernmental Cooperation Act or elsewhere provided by law. Nothing shall prevent the Township, the Assessor, or the Cemetery from seeking quotes and bids, and making purchases, from suppliers or vendors who can provide lower prices than those available through joint purchasing programs for equivalent or better items. The Supervisor, the Assessor, and the Cemetery are further authorized to enter into joint purchasing agreements and to exercise spending authority without competitive procurement if the purchase is through a joint purchasing program in a manner consistent with Illinois law.
- (2) Sole Source Procurement. Contracts for construction, repair and maintenance, services, goods, supplies, materials and equipment that are produced or provided by only one supplier or vendor may be awarded without engaging in the competitive procurement processes required by this Policy as allowed under Illinois law. For this exception to apply, the following steps must followed:
 - (a) The Supervisor, the Assessor, or the Cemetery, shall perform due diligence to determine whether there is more than one possible vendor and shall document said efforts;
 - (b) The vendor shall provide a letter indicating its sole source status; and
 - If the Supervisor, the Assessor, or the Cemetery determines that (c) there is only one supplier or vendor of the construction, repair and maintenance, services, goods, supplies, materials and equipment required, those entities are authorized to negotiate and to recommend to the relevant governing authority for contracts and purchases in excess of (\$20,000.00) \$30,000.00, as applicable, a contract with such supplier or vendor to purchase the construction, repair and maintenance, services, goods, supplies, materials and equipment, at prices or on terms most advantageous to them. In such a case, a written determination stating such supplier or vendor is the sole source for such construction, repair and maintenance, services, goods, supplies, materials and equipment is required. For contracts or purchases up to \$19,999.99 \$29,999.99, the Supervisor, the Assessor, or the Cemetery may proceed with the purchase without prior approval of the relevant governing authority if all of the steps

COBT Purchasing Policy Issued: 10/28/2019; Revised 5/23/2022

- outlined herein are met, but shall present said purchase to its authority for formal audit/approval as required by law. Such approval from the authority shall not be unreasonably withheld.
- (3) Limited Source Procurement. Contracts for construction, repair and maintenance, services, goods, supplies, materials and equipment that are produced or provided by a specialized supplier or vendor, or where due to compatibility issues with existing equipment a limited source procurement is necessary, may be awarded without engaging in the competitive procurement processes required by this Policy and without the adoption of a Resolution to the extent allowed under Illinois Law. For this exception to apply, the following steps must followed:
 - (a) If the Supervisor, the Assessor, or the Cemetery determines that a specialized supplier or vendor is needed or has been used in the past on a specific project for construction, repair and maintenance, services, goods, supplies, materials and equipment within the special parameters required or pursuant to an overall plan for procurement to achieve improved public service or long term operational efficiencies, the Supervisor, the Assessor or the Cemetery are authorized to negotiate and to recommend to the relevant governing authority a contract with such supplier or vendor to purchase the construction, repair and maintenance, services, goods, supplies, materials and equipment, at prices or on terms most advantageous to the entity. For contracts or purchases up to \$19,999.99 \$29,999.99, the Supervisor, the Assessor, or the Cemetery may proceed with the purchase without additional approval if all of the steps outlined herein are met.
 - (b) In the case of a Limited Source Procurement, the Supervisor, the Assessor, or the Cemetery shall make a written determination of the basis for the special parameters or overall plan for procurement to achieve improved public service or long-term operational efficiencies and that such supplier or vendor is the single source for such construction, repair and maintenance, services, goods, supplies, materials and equipment.
- (4) Professional Services. Contracts, agreements or memberships in or with trade or professional organizations, lobbying groups, governmental services memberships, and professional services for legal and employment related services shall be exempt from the competitive procurement requirements as shall all employee contracts and hires and agreements with any collection agencies.

COBT Purchasing Policy Issued: 10/28/2019; Revised 5/23/2022

Emergency Purchases: Report Required When More Than Thousand **Dollars**

In the case of accident or other circumstances creating an emergency where necessary to protect life, the public health and safety, and public property, or in the case of the occurrence of any breakage or loss of equipment, or in other circumstances which could not reasonably be anticipated, whereby in which any necessary regular service of the Township, the Assessor, or the Cemetery is, or is about to be, interrupted or whereby these entities will suffer any great or continuing loss, the Supervisor, the Assessor, or the Cemetery, upon the request of their relevant staff, may negotiate an emergency purchase to address any such circumstance engaging in the competitive procurement process and in such amount as may be necessary in the circumstances in a manner consistent with Illinois law. In the case of such emergency purchases involving amounts in excess of Twenty Thousand Dollars (\$20,000.00) \$30,000.00, the Supervisor, the Assessor, or the Cemetery shall, at the next meeting of the relevant governing authority, render a full report on the case.

Public Facility Construction

The goal of public construction of facilities is to deliver public facilities that meet the needs of the citizens and the public employees that use them and that represent sound investments of tax dollars. High-quality, cost-effective design and construction services are key to achieving this goal on each public facility construction project. As part of any proposed new public facility construction project estimated to be in excess of \$500,000.00, the Supervisor, the Assessor, or the Cemetery shall first propose to the Township Board of Trustees a project management plan for the design, construction and oversight of the project.

The project management plan may either be approved or rejected by a majority of the Township Board of Trustees and the project management plan ultimately approved shall govern the design, construction, oversight and general scope of the project. This plan shall include whether the project will be design-build, as allowed by law, or whether a general contractor will be utilized. The project management plan shall be approved prior to bidding the project but may be altered or amended by a majority of the Township Board of Trustees after bidding. The project management plan shall include a schedule, identify critical issues, outline any risks, estimates of cost, and budget. The project management plan shall provide for the transition of all record drawings, record of contractors and subcontractors, operation and maintenance manuals, training for the proper operation of the facility and equipment, and a record of warranties to staff.

Conclusion

In the event that any section, clause, provision, or part of this Policy shall be found and determined to be invalid by a court of competent jurisdiction, all valid parts that are severable from the invalid parts shall remain in full force and effect.

FOR: Honorable Township Trustees

SUBJECT: Change Order to Contract with Stark Excavating, Inc. for South Parking Lot

Improvements

RECOMMENDATION/MOTION: Recommend that the Change Order with Stark Excavating, Inc. for Parking Lot Improvements in the amount of \$30,000.00 be approved, the Resolution adopted, and the Supervisor be authorized to execute the necessary documents.

BACKGROUND: In May 2021, the Board received the Property Condition Assessment for the Township Building. The highest priority project was the parking lot improvements. The engineer's estimate for the project was \$259,800. The project was awarded to Stark Excavating, Inc. who submitted the lowest bid of \$181,584. The project was broken down into two phases: Phase 1) North half of the parking lot, and Phase 2) South half of the lot. Work began on Phase 1 at the end of September 2021. Upon removal of the existing concrete, two issues with subgrade were uncovered that had not been planned for and a change order for \$35,000 (which also included application of a sealant for the entire parking lot) was issued by Stark Excavating and approved by the Board October 2021. Phase 1 work is now complete.

In April 2022, work began on Phase 2, the South parking lot improvements. Upon removal of the existing concrete, two similar issues with subgrade were uncovered, and another change order is required.

Stark Excavating has provided the following estimates:

AUP: 6" Undercuts: \$63.40/TON

- Cut and remove top 6" of unsuitable material.
- Install 6" of CA-6 base.
- South Parking Area Only: Estimating 218 Ton = \$13,821.20

AUP: 2' Undercuts: \$109.60/TON

- Cut and remove 24" unsuitable material.
- Install fabric.
- Backfill with 18" of 1"x3" stone capped with 6" of CA-6.
- Approach Area Only: Estimating 98 TON = \$10,740.80

Pricing includes labor, equipment, material, and supervision necessary to complete the work. Upon completion, Township will only pay for exact amount of material supplied. Stark Excavating believes the estimated numbers will be close to the actual amounts.

If accepted, the change order will be attached to the contract document.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Farnsworth Group, Stark Excavating Inc., and Township Attorney John Redlingshafer.

ADMINISTRATOR RESPONSE: These two items need to be addressed to keep the parking lot improvement project moving forward. I respectfully request approval of the change order with Stark Excavating, Inc. for the Parking Lot Improvement project.

Respectfully submitted for Board consideration.

RE: Township Supervisor's Report

On May 6, 2022, Governor JB Pritzker signed into law HB 4251 which raises the amount of certain purchasing policies from \$20,000 to \$30,000 effective immediately. Township requests Board approval on the revised Purchasing Policy.

<u>Workfare Programs</u>: The Wellness Lifestyle Classes were held via Zoom on April 1st, 8th, 22nd, and 29th (office was closed the 15th for Good Friday). Ten active General Assistance clients are currently attending the classes. Topics were derived from client concerns and personal health experiences and participants actively engaged in the discussion by offering ideas and support to others in the group. The class will continue to be conducted via Zoom every Friday at 11:00 a.m.

<u>POTS Recycling</u>: Collection of recycled pots has resumed. Following the beautiful Mother's Day weekend, the staff was excited to find the bins at the sponsor locations full to overflowing. Collection days will be Mondays and Thursdays throughout the growing season.

General Assistance: Total April cases for General Assistance are provided on the attached System Activity Report. Seventy-two applicants sought Township services. This is an increase of eighteen from the previous month. Forty-three are *potentially eligible* for General Assistance and twenty-nine are *potentially eligible* for Emergency Assistance.

Administration of General Assistance was provided to McLean, Stanford, and Heyworth Townships.

The Township did not receive Supplemental Security Income recovery funds from the State of Illinois in April.

<u>Parking Lot Improvements</u>: The parking lot improvements on the North side of the Township Center building are now complete and improvements have begun on the South side. As with the North side, Stark discovered issues with the subgrade. Township is requesting Board approval on the Change Order to correct the subgrade.

Evergreen Memorial Cemetery: Memorial Day ceremony and events will take place on Monday, May 30, 2022. The Cemetery crew anticipate the Avenue of Flags will be set up in the next week.

Assessment changes for 2022. The sales market for residential property has been considered a hot market since COVID in 2020. The expectation with the shutdown that real estate would lose value. That has not been the case. We have seen sales prices climb above the assessment levels over the past three years.

We assess property for January 1 of the current year. We use the past three years of sales against the assessed value to adjust the assessments in neighborhoods. The assessments could be adjusted to the township level by the County. The City Township has not had an adjustment multiplier from the County in few years.

In our review of sales, we have seen increase number of low ratios of assessments to the sales prices. This means that our assessments may increase based on the past three year sales market.
